

Alleghany COVID-19 Situation Update

June 25th, 2021

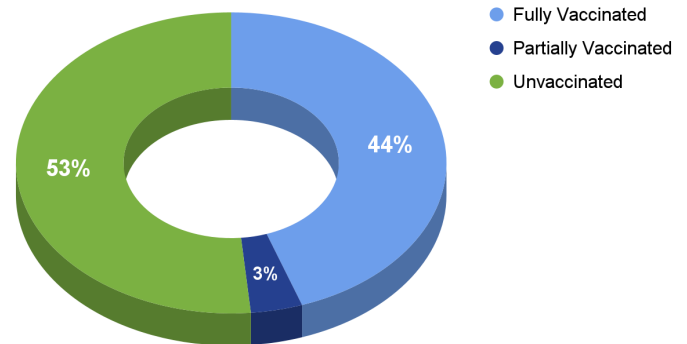

COVID-19 Vaccination Updates

If you're a North Carolinian vaccinated against COVID-19, you could win \$1 million ([More Details](#)). For upcoming mobile COVID-19 vaccine clinic opportunities, visit AppHealthCare.com. If you would like a COVID-19 vaccine with us either schedule an appointment by calling us at (828) 795-1970 or by walk-in Monday through Friday 8:00 to 4:00pm at our clinic locations in Alleghany, Ashe and Watauga Counties. If you choose to walk-in for a vaccine, please be aware you may have to wait. To lessen your potential wait time, please make an appointment.

 6/13/21-6/19/21

Active Clusters and Outbreaks in Allegheny County

An outbreak is defined as two or more laboratory confirmed cases within a 14 day period in a congregate living setting. A cluster is defined as a minimum of five cases within a 14-day period and plausible epidemiologic linkage between cases. An outbreak or cluster is considered active until 28 days have passed with no newly identified cases. Additional information on the [definitions of outbreaks and clusters](#) is provided by the North Carolina Department of Health & Human Services.

County	Setting Name	Setting Type	Active Cases	Cumulative Cases	Latest Positive Result
*There are no active clusters or outbreaks in Allegheny County at this time.					

(Cluster and outbreak data is current as of 6/23/2021 at 12pm)

Allegheny (336) 372-5641 | Ashe (336) 246-9449 | Watauga (828) 264-4995
